Ioline™ 300 Flat Bed Cutter

Design, cut and sew system

Gain complete control over your appliqué cutting. Instantly produce custom logos,
team names, numbers or decorative designs. Ioline's exclusive 301 software drives
the cutter and allows you to automatically create embroidery sew disks.

List Price **$6,995.**

Features and Specifications:

· Made in the USA – a powerful workhorse thats built to last!
· Simple to use – interfaces with a PC just like a printer.
· Create sew disks with the 301 software.
· Cut up to 400 pieces per hour
· Cuts Poly–TWILL™, felt, vinyl, CAD–CUT® materials and more!

300 System includes:

· Ioline™ 301 software
· User guide
· Adhesive sheets (3–pack)
· Quick start guide
· (2) sheets of backing material – (1 single sided, 1 double sided)
· (2) 45° blades

Ioline™ Exclusive 301 Software:

The 301 software allows you to create embroidery applique sew files for your cut
pieces. Output a .dst, .exp, .toy or .dat format disk that includes the placement
stitch and zig–zag or satin stich (w/ tack down).
