Patch Kit Bundle

The **Avancé 1501C** is designed to give you that combination of price, features and reliability that makes it easy to get into the commercial embroidery business.

Avancé comes with everything you need to succeed, including digitizing software from Sierra, a great selection of hoops and accessories a 5 year warranty and the best training in the industry.

It's FAST - up to 1200 stitches per minute means you can produce the maximum amount of goods in the minimum amount of time.

It's RELIABLE - before you ever see the Avancé 1501C it has already run 300,000 stitches. That's how we can offer a **FIVE YEAR** warranty.

It's READY TO GO - the 1501C is ready to embroider flats and caps right out of the box. It even comes with over 4,000 designs to get you started.
