

# **M X M**

## **Apparel Solutions**

**Screen Printing | Embroidery | Tie Dye | Direct to Garment**

**Your near shore production partner**

## **Screen Printing:**

With 28 newer printing presses (M&R, ROQ and Workhorse) you will be satisfied with efficient production and top-notch quality.

## **Tie Dye:**

MxM has 24 teams – equipped with 15 industrial washers, 22 industrial dryers and 120 dyeing tables and capable of completing ~20,000 units per week – standing by for your tie dye needs.

## **Embroidery:**

MxM's embroidery capabilities consist of 4 dedicated teams working on 80 heads for JUMBO oversized garment embroidery and 24 head Tajima embroidery machines.

## **Direct to Garment Printing:**

We operate two Kornit Avalanche DTG machines for high color prints at lower volumes ensuring impeccable craftsmanship.

## **Additional Capabilities:**

Neck Label Printing: 6 Rapid Tag Printers for custom brand / size labeling solutions.

Finishing / Bag and Tag: 8 stations for meticulous packaging and labeling

Partner with MxM today and experience the difference our comprehensive contract manufacturing solutions can make for your brand. Contact us now to discuss your project requirements and unlock your apparel brand's full potential.
