REASONS TO BUY

- ✓ **Protected Components:** All Drive Components are located outside of the spray chamber, protecting them from the pretreat spray.
- ✓ **A Machine Built by an Industry Leader:** The Lawson Zoom-AE is manufactured, backed and serviced by Lawson Screen & Digital Products. Serving the industry since 1949, we have won every SGIA Award including the Parmale Award for service and innovation.
- ✓ **Simple and Easy to Use - Peace of Mind:** The Lawson Peace of Mind Warranty comes with every Zoom. We guarantee your satisfaction - or your money back!
- ✓ **Consistency:** The Zoom-AE applies any pretreat solution with total accuracy and absolute consistency. You will also use far less pretreat solution than by spraying by hand.
- ✓ **Speed:** Automatic application of pretreat solution, can quadruple your production instantly. Pretreat most items in less than 7 seconds.
- ✓ **Quality Prints:** For superior looking prints, you need a consistent pretreat method that spraying by hand cannot accomplish. The Lawson Zoom-AE sprays the perfect amount of pre-treatment every time, giving you quality direct-to-garment prints, garment after garment.
- ✓ **Common Parts:** The Zoom-AE uses common parts, so your long-term costs are minimized and maintenance is easy.
- ✓ **Free Training:** Although training is not necessary, you are welcome to train at our state-of-the-art screen and digital facility in St. Louis for free. A comprehensive Instruction Manual, loaded with "how-to" photos is included.
- ✓ **A Warranty by an Industry Leader:** The Lawson Zoom-AE is supported by a complete 1 year parts, bumper-to-bumper warranty (nozzles/tips and filters excluded) and Lawson's exclusive 24 hour support hot-line.
- ✓ **Not a Toy:** Some of our competitor's sprayers, are flimsy, light-weight, and look like a cheap toy. Remember, "if it looks like a toy, it is a toy".
